Intern Assessment Form

YEDİTEPE UNIVERSITY FACULTY OF MEDICINE

Academic Year:	
Student's Name and Surname:	
Student's Number:	
Department where the intership has taken place:	
Starting and ending dates of the internship:	
Internship success grade:	

- Please assess student success separately for each category over a hundred points.
- Indicate your favorable or unfavorable observations and assessments of the student other than the categories listed below in the "Other Evaluations" section.
- Specify the average of the grades for each category and the letter grade according to the list provided below and indicate Pass or Fail.

Assessment Criteria		
85-100	AA	
75-84	BA	
65-74	BB	
60-64	CB	
50-59	CC	
0 -49	F	FAIL
	F2	DID NOT ATTEND

Assessment Category	Over 100 Points		
General appearance			
History taking and physical examination skills			
General knowledge in medicine			
Physician patient interaction skills and respectful attitude of ethical standards			
interaction with her/his peers and other medical personnel and team work mentality			
Skills of correctly defining medical problems and providing solutions to them			
Motivation and professional interest			
Timely and full attendance of the progressing activities during the internship			
Taking responsibility and fulfillment mentality of these during the internship			
Success in the seminars presented and scientific discussions participated			
Success in laboratory activities			
Other thoughts			
TOTAL			
AVERAGE (Including the letter grade)			
RESULT	PASS	FAIL	

Instructor /Head of the Clinique:

Date:

Thank you for filling out the form completely with maximum possible objectivity and meticulousness.

TIPE. F.01.Rev 1. 09.01.2014

ECTS ALLOCATION			
Activity	Quantity	Duration (Hours)	Total Workload (Hours)
Clinical Experience	45	2	90
Clerkship Guide Compilation	20	1	20
Independent Learning Hours	45	1	45
Assessment	2	2.5	5
Total Work Load			160
Total Work Load / 30 (h)			5.3
ECTS Credits			5

CONTRIBUTION TO PROGRAM OUTCOMES						
No	Program Learning Outcomes	Contribution				
		1	2	3	4	5
1	PO.1.1.4. takes medical history from the applicant himself/herself or from the individual's companions.			X		
2	PO.1.1.5. does general and focused physical and mental examination.			X		
3	PO.1.1.6. interprets findings in medical history, physical and mental examination.			X		
4	PO.1.1.7. employs diagnostic procedures that are used frequently at the primary health care level.			X		
5	PO.1.1.8. selects tests that have evidence-based high efficacy at the primary health care level and interprets results.			X		
6	PO.1.1.9. makes clinical decisions using evidence-based systematic data in health care service.			X		
7	PO.1.1.10. performs medical interventional procedures that are used frequently at the primary health care level.			X		
8	PO.1.1.11. manages healthy individuals and patients in the context of health care services.			X		
9	PO.1.1.12. keeps medical records in health care provision and uses information systems to that aim.			X		
10	PO.1.2.1. throughout his/her career, communicates effectively with health care beneficiaries, co-workers, accompanying persons, visitors, patient's relatives, care givers, colleagues, other individuals, organizations and institutions.			X		
11	PO.1.4.1. recognizes the health status of the individual and the community and the factors affecting the health, implements the necessary measures to prevent effects of these factors on the health.			X		
12	PO.1.6.1. provides consultancy services and organizes health education for the community to sustain and promote the health of individual and community.		X			
13	PO.2.1.1. performs medical practices in accordance with the legal framework which regulates the primary health care service.		X			
14	PO.2.2.1. recognizes basic ethical principles completely, and distinguishes ethical and legal problems.		X
