| COURSES CONTRIBUTION TO PROGRAM | | | | | |
|--|---|----|----------|------|---|
| COMPETENCE AREA-1 / Professional Practices | | Co | ntribu | tion | |
| COMPETENCE 1.1. Health Service Provider | 1 | 2 | 3 | 4 | 5 |
| Competency 1.1.1. Integrates knowledge, skills, and attitudes acquired | | | | | |
| from basic and clinical medical sciences, behavioral sciences, and social | | | | | |
| sciences to provide health services. | | | | | |
| Competency 1.1.2. Demonstrates a biopsychosocial approach that | | | | X | |
| considers the individual's sociodemographic and sociocultural background | | | | | |
| without discrimination based on language, religion, race, or gender in | | | | | |
| patient management. | | | | | |
| Competency 1.1.3. Prioritizes the protection and improvement of | | | | | |
| individuals' and community's health in the delivery of healthcare services. | | | | | |
| Competency 1.1.4. Performs the necessary actions in the direction of | | | | | |
| maintaining and improving the state of health as considering the individual, | | | | | |
| social, social and environmental factors affecting health. | | | | | |
| Competency 1.1.5. Provides health education to healthy/ill individuals and | | | | | |
| their families, as well as to other healthcare professionals, by recognizing | | | | | |
| the characteristics, needs, and expectations of the target audience. | | | | | |
| Competency 1.1.6. Demonstrates a safe, rational, and effective approach | | | | | |
| in the processes of protection, diagnosis, treatment, follow-up, and | | | | | |
| rehabilitation in health service delivery. | | | | | |
| Competency 1.1.7. Performs interventional and/or non-interventional | | | | | |
| procedures safely and effectively for the patient in the processes of | | | | | |
| diagnosis, treatment, follow-up, and rehabilitation. | | | | | |
| Competency 1.1.8. Provides healthcare services considering patient and | | | | | |
| employee health and safety. | | | | | |
| Competency 1.1.9. Considers changes related to the physical and socio- | | | X | | |
| economic environment at both regional and global scales that affect health, | | | | | |
| as well as changes in the individual characteristics and behaviors of those | | | | | |
| who seek healthcare services. | | | <u> </u> | | |
| COMPETENCE AREA-2 / Professional Values and Approaches | | | ntribu | tion | |
| COMPETENCE 2.1. Adopting Professional Ethics and Principles | 1 | 2 | 3 | 4 | 5 |
| Competency 2.1.1. Considers good medical practices while performing the | | | | | |
| profession. | | | | | |

| Competency 2.1.2. Fulfills duties and obligations within the framework of | | | | | |
|---|---|-----------------|---------|------|---|
| ethical principles, rights, and legal responsibilities required by the | | | | | |
| profession. | | | | | |
| Competency 2.1.3. Demonstrates determined behavior in providing high- | | | | | |
| quality healthcare while considering the patient's integrity. | | | | | |
| Competency 2.1.4. Evaluates own performance in professional practices | | | | | |
| by considering own emotions and cognitive characteristics. | | | | | |
| COMPETENCE 2.2. Health Advocate | | | | | |
| Competency 2.2.1. Advocates for the improvement of healthcare service | | | | | |
| delivery by considering the concepts of social accountability and social | | | | | |
| responsibility in the protection and enhancement of community health. | | | | | |
| Competency 2.2.2. Plans and implements service delivery, education, and | | | | | |
| counseling processes related to individual and community health, in | | | | | |
| collaboration with all stakeholders, for the protection and improvement of | | | | | |
| health. | | | | | |
| Competency 2.2.3. Evaluates the impact of health policies and practices | | | | | |
| on individual and community health indicators and advocates for the | | | | | |
| improvement of healthcare quality. | | | | | |
| Competency 2.2.4. Gives importance to protecting and improving own | | | | | |
| physical, mental, and social health and takes necessary actions for it. | | | | | |
| COMPETENCE 2.3. Leader-Manager | | | | | |
| Competency 2.3.1. Demonstrates exemplary behavior and leadership | | | | | |
| | | | | | |
| within the healthcare team during service delivery. | | | V | | |
| Competency 2.3.2. Utilizes resources in a cost-effective, socially | | | X | | |
| beneficial, and compliant manner with regulations in the planning, | | | | | |
| implementation, and evaluation processes of healthcare services as the | | | | | |
| manager in the healthcare institution. | | | | | |
| COMPETENCE 2.4. Team Member | | | | | |
| | | | | | |
| Competency 2.4.1. Communicates effectively within the healthcare team | | | | | |
| and takes on different team roles as necessary. | | | | | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of | | | | | |
| and takes on different team roles as necessary. | | | | | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. | | | | | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues | | | X | | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. | | | х | | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues | | | X | | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. | | | X | | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator | | | х | | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, | | | х | | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and | | | X | X | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. | | | х | X | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups | | | X | Х | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural characteristics. | | | X | X | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural | | | X | х | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural characteristics. Competency 2.5.3. Demonstrates a patient-centered approach that involves the patient in decision-making mechanisms during the diagnosis, | | | X | X | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural characteristics. Competency 2.5.3. Demonstrates a patient-centered approach that involves the patient in decision-making mechanisms during the diagnosis, treatment, follow-up, and rehabilitation processes. | | Col | | | |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural characteristics. Competency 2.5.3. Demonstrates a patient-centered approach that involves the patient in decision-making mechanisms during the diagnosis, treatment, follow-up, and rehabilitation processes. COMPETENCE AREA-3 / Professional and Personal Development | 1 | Co ₁ | ntribut | | 5 |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural characteristics. Competency 2.5.3. Demonstrates a patient-centered approach that involves the patient in decision-making mechanisms during the diagnosis, treatment, follow-up, and rehabilitation processes. COMPETENCE AREA-3 / Professional and Personal Development COMPETENCE 3.1. Scientific and Analytical Approach | 1 | | ntribu | tion | 5 |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural characteristics. Competency 2.5.3. Demonstrates a patient-centered approach that involves the patient in decision-making mechanisms during the diagnosis, treatment, follow-up, and rehabilitation processes. COMPETENCE AREA-3 / Professional and Personal Development COMPETENCE 3.1. Scientific and Analytical Approach Competency 3.1.1. Plans and implements scientific research, as | 1 | | ntribu | tion | 5 |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural characteristics. Competency 2.5.3. Demonstrates a patient-centered approach that involves the patient in decision-making mechanisms during the diagnosis, treatment, follow-up, and rehabilitation processes. COMPETENCE AREA-3 / Professional and Personal Development COMPETENCE 3.1. Scientific and Analytical Approach Competency 3.1.1. Plans and implements scientific research, as necessary, for the population it serves, and utilizes the results obtained, as | 1 | | ntribu | tion | 5 |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural characteristics. Competency 2.5.3. Demonstrates a patient-centered approach that involves the patient in decision-making mechanisms during the diagnosis, treatment, follow-up, and rehabilitation processes. COMPETENCE AREA-3 / Professional and Personal Development COMPETENCE 3.1. Scientific and Analytical Approach Competency 3.1.1. Plans and implements scientific research, as necessary, for the population it serves, and utilizes the results obtained, as well as those from other research, for the benefit of the community. | 1 | | ntribu | tion | 5 |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural characteristics. Competency 2.5.3. Demonstrates a patient-centered approach that involves the patient in decision-making mechanisms during the diagnosis, treatment, follow-up, and rehabilitation processes. COMPETENCE AREA-3 / Professional and Personal Development COMPETENCE 3.1. Scientific and Analytical Approach Competency 3.1.1. Plans and implements scientific research, as necessary, for the population it serves, and utilizes the results obtained, as well as those from other research, for the benefit of the community. Competency 3.1.2. Accesses and critically evaluates current literature | 1 | | ntribu | tion | 5 |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural characteristics. Competency 2.5.3. Demonstrates a patient-centered approach that involves the patient in decision-making mechanisms during the diagnosis, treatment, follow-up, and rehabilitation processes. COMPETENCE AREA-3 / Professional and Personal Development COMPETENCE 3.1. Scientific and Analytical Approach Competency 3.1.1. Plans and implements scientific research, as necessary, for the population it serves, and utilizes the results obtained, as well as those from other research, for the benefit of the community. Competency 3.1.2. Accesses and critically evaluates current literature related to their profession. | 1 | | ntribu | tion | 5 |
| and takes on different team roles as necessary. Competency 2.4.2. Displays appropriate behaviors while being aware of the duties and responsibilities of healthcare workers within the healthcare team. Competency 2.4.3. Works collaboratively and effectively with colleagues and other professional groups in professional practice. COMPETENCE 2.5. Communicator Competency 2.5.1. Communicates effectively with patients, their families, healthcare professionals, and other occupational groups, institutions and organizations. Competency 2.5.2. Communicates effectively with individuals and groups who require a special approach and have different sociocultural characteristics. Competency 2.5.3. Demonstrates a patient-centered approach that involves the patient in decision-making mechanisms during the diagnosis, treatment, follow-up, and rehabilitation processes.
